## VISITING SOCHI

Sochi - is a city south-west of Russia, located on the Black Sea beach and close to caucasian mountains.

It was always a resort for Russian citizens and a popular place during summertime. By the time Russia won an opportunity to perform Olympic games it also became a winter resort with 4 quality ski resorts in mountains. Then there is a Grand Prix Formula 1 stage. People say that there also gonna be golf fields and casinos, but we will see. What else? It's has the most friendly environment for people with limited mobility. Besides most text information is given in both Russian and English and you can explore the city without knowledge of Russian language.

Local people are mostly tourist oriented and friendly, helpful. Some even do speak English. There are no factories or other work, so everyone is working with tourists, it's the profession and the lifestyle here. If you come to Sochi you will meet the unexpected level of hospitality.

### **Sochi Autodrom is attracting tourists from all around the world.**

Circuit in the Olympic Park – is another interesting place for lovers of speed and cool cars. Currently offers several basic services for everyone.

1. Racing taxi. You can ride in the passenger seat next to a professional driver on a roadster Mazda MX-5 and Ferrari.
2. Rent a sport car.
3. Test the track on your own car. This might be the most interesting service for fans to drive.

#### Formula Car for Rent

How the racing taxi works:

Everything is simple. You go through the Formula 1 track with a professional pilot. But first, there is a safety training, selection of the helmet. You can order the video filming or attach your camera. Then you take off from the garage and ride one or two laps. By the way, if you are with friends you can also try the option to “chase” each other, but we don't have currently information on this.

## Sochi Park attractions

Step up to a fairy tale. What do you see? The majestic fortress, mighty warriors on colorful facades, coming out of fantasy world? Enchanted forest, full of strange creatures and an oasis of peace and tranquility in the heart of the bustling metropolis? Space Odyssey and the miracle of technological progress? All of the attractions have its own fairy tale and in the “Sochi Park” each of them becomes a reality.
